Theatre Notes

Welcome to the last play of yet another Season. We hope you feel it has been a successful one! The Society continues to change in some aspects, but remain the same in terms of its aspirations to continue to entertain to a high standard despite being a 'bunch of Amateurs'.

Significant changes are the absence still of our President Marjorie Meredith, who is making slow but steady progress in Newtown Hospital. We all miss her influence and presence around the Theatre and look forward to the day when she can be amongst again.

We are sad to bid farewell to one of our youngest members who is off to Stage School in London in the Autumn. When he becomes famous, remember you first saw Tom Jones treading our boards! Of course we congratulate him and wish him every success and happiness in the future.

It has been pleasing to see Jackie Barnes experience her first foray into Directing with the able assistance of Martin. She has chosen an interesting thriller!

In an effort to cut costs we are cancelling our telephone landline contract from May 14th and have switched to a mobile. This will have the added advantage that during booking weeks we will be contactable at the Oriel Gallery. The new mobile number is printed on the front of this programme for your information and is also displayed in the foyer.

We hope you all have a very good Summer should it ever arrive! and look forward to seeing you again in our 44th Season.
