Theatre Notes

Another end-of-Season production and once again I'm playing an old lady sitting in a chair! Is someone trying to tell me something! This has been such an interesting play to do, and a difficult genre to describe. We hope you enjoy our presentation.

We continue to attract and look for additions to our membership and are pleased to welcome Adam Evison to our Technical Department and a young lady Jodie Green who has been helping out this time with 'props'. We hope this will be the beginning of a long association with our Society.

You will no doubt be aware of changes that we have introduced to our ticket pricing and facilities offered. From the beginning of next Season the new charges will include a programme and refreshments, and our 'Club Membership/Season ticket booklets', which are available in the foyer today, reflect this policy. You will still be able to pre-register your choice of refreshment before each performance. We hope you will find this acceptable.

As the Summer approaches (well we think it is!) we compile a list of tasks to be completed during our off Season. This includes many maintenance tasks and additions to our facilities and records of our possessions and history. If anyone is interested in helping us with these you would very welcome. We continue to meet twice a week on Mondays and Thursdays evenings from 7.30 until approximately 10.

Finally we would like to advertise the All Wales One Act Drama Finals to be held at the Hafren Theatre, Newtown on 31st May and 1st June 2013, and to this end a Fund Raising concert of Variety Acts will be held in this theatre on Friday 3rd May. Look out for more detailed advertisements in the very near future.

Best wishes for the Summer
